**Sub:** Postponement of implementation of amalgamation of Old Scheme MBBS Students into CBME Curriculum for March 2025 Examinations

- Ref:**
1. University Circular of even No. dated 17.01.2025
  2. Decision of the Syndicate in its 195th meeting held on 13.01.2025
  3. NMC Circular No. U11026/1/2022-UGMEB, dated 31.03.2022
  4. NMC directives regarding valuations dated 12.02.2025

In view of the latest directives issued by the National Medical Commission (NMC) vide Ref. (4) regarding the number of valuations to be implemented for RS3 scheme students, the university has decided to postpone the implementation of the amalgamation of old scheme MBBS students into the CBME curriculum until the completion of the March 2025 examinations.

Accordingly, all students who had already opted for amalgamation shall continue under the existing RS3 scheme until the completion of the March 2025 examinations. Detailed guidelines and instructions regarding the amalgamation of old scheme MBBS students into the CBME curriculum for future examinations will be communicated after the March 2025 examinations.

Colleges are directed to ensure that this information is communicated to all concerned students and faculty members. This circular must be displayed on notice boards and circulated among all stakeholders for compliance.
