RGUHS/SWF/123//Internship[CRMI]/2022-23

DT:05/07/2022

CIRCULAR

Sub:	Compulsory Rotating Medical Internship [CRMI] Transfer of students pursuing Health Science courses in Affiliated colleges of RGUHS.	
Ref:	As per following Gazette Notifications of India: -	
1.	Medical: -	NMC - dt:18/11/2021 & Circular dt: 19/05/2022.
2.	Dental:-	No.DE-1-2016/12273 dt:16/01/2017
3.	Ayurveda:-	NCISM DT:16/02/2022
4.	Unani:-	NCISM DT:28/02/2022
5.	Homoeopathy:	Revised Ordinance 2009.
6.	BPT	Notification Dated:19/01/2017.
7.	AHS Courses	Opinion of Dean and Ordinance.

RGUHS has prescribed general guidelines/conditions for Compulsory Rotating Medical Internship [CRMI] transfer of students from one University/College/Institution to another college/institution affiliated to RGUHS and Recognised by the Concerned Apex bodies. While framing these guidelines, university has adopted the guidelines issued by the concerned apex body and Ordinances related to particular courses where there is no apex bodies. It is noted that the guidelines issued by apex body of other faculties are not in conformity with the guidelines thus adopted. There are some faculties that have no apex bodies. Hence, this circular for uniformity.

Sl. No	Course	Guidelines to be Adopted
1.	MBBS- Medical	As per NMC Gazette of India,dt:18/11/2021.Schedule-II. 1. Indian Medical Graduates. a. The applicant should have successfully completed the MBBS course of any University from a college or institution approved and recognised by the commission and listed by the Undergraduate Medical Education Board under the provisions of section 35 of the Act. b. The qualifying examination for Indian Medical Graduates shall be in accordance with the applicable rules and regulations of the Commission at the time of commencement of internship. 1. The final MBBS Examination of various Universities or

institutions of India

2. The National exit test (Next) step-1 held under sub-section (1) of section 15 of the act whenever this examinations becomes operational

3. Any other requirement as may be regulated or notified by the Central Government or, as the case may be, the commission.

c. All Indian Medical Graduates shall complete their entire period of compulsory rotating internship training [CRMI] in the institution where they have pursued and completed their Bachelor of Medicine and Bachelor of Surgery [MBBS].

1. One-year approved service in the Armed Forces Medical Services, after passing the final MBBS examination shall be considered as equivalent to the pre-registration training detailed above and such training shall, as far as possible, be at the base or General Hospital. The training in Community Medicine should fulfil the norms of the NMC as proposed above. However Next step 2 will be mandatory for these candidates also.

2. Foreign Medical Graduates.

a. All Foreign Medical Graduates, as regulated by the National Medical Commission (Foreign Medical Graduate Licentiate) Regulations 2021, are required to undergo internship at par with Indian Medical Graduates if they desire to seek Permanent Registration to practice Medicine in India.

1. All Foreign Medical Graduates, unless otherwise notified shall be required to undergo CRMI at par with Indian Medical Graduates after the National Exit Test Step-1 after Next becomes operational.

b. Indian citizens (including overseas Indian citizens) who are Foreign Medical Graduates who do not fall under the purview of the National Medical Commission (Foreign Medical Graduate Licentiate) Regulations, 2021 shall be regulated by the provisions of sub-section (3) of section 13 of the Indian Medical Council Act, 1956 (102 of 1956) in accordance with the advisory No MCI-203(1)(Gen)/2020-Regn/118239, dated the 2nd September 2020 and shall be required to complete CRMI in India if they have not undergone such practical training after obtaining such qualification as may be required by the rules and regulations in force in the country granting such qualification or has not undergone any practical training in that country.

c. Foreign Medical Graduates who require to complete a period of Internship shall do so only in medical colleges or

institutions approved for providing CRMI to Indian Medical Graduates.

1. Foreign Medical Graduates may be posted first in colleges which have been newly opened and have yet to be recognized.

2. May be posted to different medical colleges or institutions through a counselling or seat allocation process based on the merit.

3. Medical colleges or institutions may allow up to 7.5 per cent of their permitted quota of interns to accommodate internship by Foreign Medical Graduates [with clear vacancy]

4. The College or Institution and its Affiliated Hospitals and Community Health Centres shall be recognised by the Commission for conducting the CRMI programme.

5. National Medical Commission vide circular dated 4th March 2022 also clarified that no amount/fee is charged by the medical college from FMGs for permitting them to do their internship. The stipend & other facilities of FMGs should be extended equivalent to India Medical Graduates being trained at Government Medical College as fixed by the appropriate authority applicable to the Institute/University or State.

6. As per the provisions of the NMC's CRMI Regulation 2021, interns (not more than 15 interns at any given time in one centre) are posted at Rural Health Centres for period of 12 weeks. However, it has been observed that due to paucity of Rural Centres adopted by college authorities, a large numbers of interns are posted in one Rural Centre. Therefore, the college authorities are advised to adopt more Rural Centres to accommodate internship training and also provide residential accommodation or transportation (to and from Rural Centres) to these interns at the cost of college authorities.

7. All State Medical Councils and Directorates of Medical Education are requested to kindly take immediate necessary action in this regard and ensure that no internship fee is charged by the Medical College/Institutes from these interns Indian and Foreign Medical Graduates, and stipend including other facilities is being provided to FMGs as equivalent to Indian Medical Graduates in the states/UTs.

2.	BDS- DENTAL	<p>As per DCI Gazette of India, dt:16/01/2017.Schedule-II.</p> <p>1. Reference DCI's circular No DE-1-2016/2609 dated 09.06.2016 by which, transferee dental college were requested not to allow/transfer any of the student in their dental institution without the prior NOC of the DCI for doing one year paid internship programme from one dental college to another dental college.</p> <p>2. In the connection, it is clarified that the dental institutions shall not transfer/admit the students, directly in their institutions without getting the prior NOC of the Dental Council of India, which is violation of the DCI norms. Therefore, all the students those are willing to get themselves transferred for doing their one year internship programme in any dental institution are required to apply to DCI along with the requisite documents i.e NOCs issued by both the recognised dental colleges, final year mark sheet and the prescribed fee of Rs. 500/- in way of Demand Draft/Pay Order in favour of Secretary, Dental Council of India, New Delhi and only after getting the NOC issued by the Dental Council of India, the transferee dental college, (in which the applicant is seeking transfer for doing his/her oneyear Rotatory paid internship), shall admit the applicant/student for the purpose.</p> <p>3. Further, all the dental colleges are hereby directed not to issue NOC for remaining period with regard to internship, since such kind of application shall not be entertained by the Dental Council of India. Students have to undergo only <u>one year</u> paid internship in the transferee dental college (with the prior permission of the Dental Council of India) instead of <u>remaining period</u>. The dental colleges shall be bounded to inform their students regarding the DCI's rules with regard to do internship from one dental college to another dental college, accordingly, to avoid any litigation in future. If any dental college (parent college) shall issue NOC for the remaining period or if any transferee dental college shall admit the student in its college will, solely, be responsible for any consequence.</p>
3.	BAMS- AYURVEDA	<p>As per NCISM Gazette of India,dt:16/02/2022.Schedule-II.</p> <p>Compulsory Rotatory Internship</p> <p>1.
