Further, the Syndicate approved the Revised Budget for the FY 2024-25 and Budget Estimate for the FY 2025-26 and Monthly Accounts from 01.10.2024 to 31.12.2024.

SUBJECT NO. 199/2: CONSIDERATION OF THE ANNUAL REPORT FOR THE YEAR 2023-24.

DECISION OF SYNDICATE: The Syndicate approved the Annual Report for the year 2023-24.

SUBJECT NO. 199/3: GUIDELINES, APPLICATION, TERMS AND CONDITIONS FOR INTEGRATIVE RESEARCH PROJECTS OF RGUHS.

DECISION OF SYNDICATE: Deferred the matter for further deliberation.

SUBJECT NO. 199/4: MINUTES OF CAC MEETING HELD ON 10.03.2025

SUBJECT NO. 4 (1): TO CONSIDER THE GRANT OF CONTINUATION OF AFFILIATION FOR 1) SHALYA TANTRA 2) RASASHASTRA & BHAISHAJYA KALPANA TO CONDUCT RESEARCH LEADING TO THE AWARD OF PH.D DEGREES AT JSS AYURVEDA MEDICAL COLLEGE, MYSURU FOR THE ACADEMIC YEAR 2024-25.

DECISION OF CAC: Recommended for grant of continuation of affiliation to conduct Research leading to the award of Ph.D Degrees in 1) Shalya Tantra 2) Rasashastra & Bhaishajya Kalpana at JSS Ayurveda Medical College, Mysuru for the academic year 2024-25 subject to the condition of submitting the report of upgrading and equipping the Surgery Operation Theatre as per RGUHS Norms within 30 days.

DECISION OF SYNDICATE: The Syndicate accepted the recommendations of CAC.

SUBJECT NO. 4 (2): ADAPTATION OF THE ORDINANCE/NOTIFICATION GOVERNING THE VALUATION OF THEORY ANSWER SCRIPTS DATED 05.09.2022 TO THE STUDENTS OF RS-3 (ADMITTED ON OR BEFORE 2018) AND REPEALING OF THE AMENDMENT NOTIFICATION DATED 13.06.2023.

Deliberation: With reference to the above subject, the following chronology of events consequent to the various Hon'ble High court orders, are as follows:-

1. On 05.09.2022, the University promulgated ordinance with respect to valuation of answer scripts to MBBS course and other

REGISTRAR

VICE-CHANCELLOR

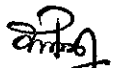

UG courses. This ordinance, under the clause, procedure it is mentioned as follows:

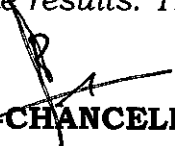

"All answer scripts of all undergraduate's health sciences courses of RGUHS be subjected to general evaluation by the first eligible examiner and re- evaluation by the second eligible examiner of the respective faculties through the digital evaluation system before the computation of results".

Thereafter, the University conducted the valuations of all the MBBS students including, who were admitted on or before 2018, as per the said ordinance in respect of examinations held in February 2023.

After the declaration of results, few students who were admitted on or before 2018, challenged the above said ordinance dtd 05.09.2022 vide WP No 7505/2023. The Hon'ble High Court, in its order dtd 19.04.2023 in WP No 7505/2023 Ricardo Konjebam's and connected cases, directed the University to conduct additional 2 valuations along with deviation valuations, if the difference is 15% or more, in respect of February 2023 exams of RS3 students (admitted on or before 2018) and there after compute and declare the results, by taking an average of 4 highest marks.

2. On 13.06.2023, the University notified the amendment to the ordinance dtd 05.09.2022 and excluded the applicability of ordinance dated 05.09.2022 in respect of RS3 (admitted on or before 2018) students in view of regulation 13(2) and clarified that valuation of RS3 (admitted on or before 2018) students would be in compliance of the judgement in cases of Basanth KB Vs RGUHS, Thejaswi Khetham's case wherein the valuation of Answer scripts would be initially by 4 valuation and in case of 15% difference of marks, the said answer script to be referred to 5th valuation and the results would be computed by taking average of highest 4 total marks.
3. Pursuant to this court order, university made a notification on 06.07.2023, which states as follows: *"Procedure for valuation:- All answer scripts of MBBS – RS-3 (admitted on or before 2018) students be subjected to four evaluations and average of the total marks awarded by the four evaluators for the paper, which is rounded off to the nearest value, will be considered for the computation of the results. Further in case of deviation between the total marks awarded by any two evaluators is equal to or more than 15% of the maximum marks prescribed for the paper, the answer scripts will be subjected to 5th evaluation. The decimals shall not be rounded off while calculating the cut off for the deviation. The average of the best four total marks for the paper awarded by five evaluators which is rounded off to the nearest value shall be considered for final computation of the results. The*

marks awarded & the result declared after deviation valuation shall be the final and under no circumstances, further valuations shall be entertained"

4. Currently, students admitted up to the 2018-19 batch are governed under the 13(2) of MCI's Graduate Medical Education Regulations, 1997, which specifically address the appointment of examiners for practical examination, but do not provide explicit guidelines for the number of valuations for theory answer scripts.
5. In the absence of clear directives, the Hon'ble Court has instructed that a system of four valuations (plus a fifth valuation in case of significant discrepancies) should be adopted, which is similar to the procedure followed in postgraduate courses.
6. Whereas, for the students who have been admitted on or after 2019, also termed as RS-4 or CBME batch, are governed by the guidelines released by the NMC from time to time, wherein the number of valuations done for the theory answer booklets are two and the results are declared by taking the best of the two awarded marks among the two evaluations.
7. Hence, it may be noted here that, even though the course is same, because of various court orders, the system of valuations is different for the students admitted on or before 2018 with that of the students admitted on or after 2019. This has led to the following differences among the RS-3 & RS-4 batches:-

Sl. No	Title	RS-3 (students admitted on or before 2018)	RS-4 (students admitted on or before 2018)
THEORY EXAMINATION			
1.	Number of valuations	4 + Deviation Valuation	2 & No deviation valuations
2.	MCQ	Nil	10 Marks
3.	Computation of Results	Average of the best four valuations	Best of the two valuations
PRACTICAL EXAMINATION			
4.	Methodology	As per RGUHS	As per NMC & RGUHS (OSPE/ OSCE)
5.	Viva Marks	Added to the Theory Marks	Added to the Practical Marks
PASSING CRITERIA			
6.	Theory	➤ 40% minimum in each paper ➤ 50% in each component i.e theory and practical ➤ 50 % out of the grand total ➤ provision of grace marks	➤ No theory Minimum ➤ 60:40 (theory: practical) ➤ 50% out of the grand total ➤ No grace marks provision
PASSING PERCENTAGE AMONG THE NUMBER OF STUDENTS			
7.	Percentage	Less	High

8. The above-mentioned differences led to growing concerns among

REGISTRAR

VICE-CHANCELLOR

students, with many seeking the implementation of the two-valuation system, similar to the practice adopted for students admitted from the 2019-20 batch onwards.

9. In view of the representations from the RS3 scheme students and in the interest of student welfare RGUHS has written a letter to NMC seeking clarification on number of valuations for the RS3 batch.
10. NMC in its letter dated 12.02.2025, under the subject - Clarification regarding the valuation process for theory answer scripts stated as follows: -

"It is informed that the existing regulations, guidelines and acts issued by the NMC do not specify the number of valuations or the process for valuing theory answer scripts. The current regulations only address the appointment of examiners, with no mention of the number of valuations. Therefore, the university may proceed as deemed appropriate, ensuring that no student is disadvantaged while maintain the quality of medical education"

However, the computation of results will be strictly in compliance with MCI-GME 1997 and not as per NMC-GME Regulations 2019 or GME Regulations 2023.

In view of the above directions of National Medical Commission, and to ensure a more consistent and equitable evaluation system for all medical students, irrespective of the year of admission, the proposal of implementing the valuation system of RS3 (admitted on or before 2018) batch students on par with CBME batch (admitted on or before 2019) students was accepted/implemented.

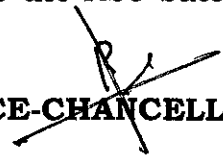

The Vice Chancellor, Registrar, & Registrar (Evaluation) mentioned that in this background having received representation from many students both orally & in writing to consider revised criteria for August 2024 Examinations retrospectively, the CAC to consider on humanitarian grounds / onetime measure in the interest of Students.

The CAC noted that the committee, constituted to look at the grievances regarding erratic valuations has the following observation

"After the neutral evaluation, though some of the examiners were found to have evaluated erratically, however the final average marks have not changed significantly. To improve the quality of the evaluation system, considering the neutral evaluations marks as mentioned above, committee is of the presupposition, that the most of the examiners need to undergo training on assessment/evaluation."

The Legal Officer opined that since there are court verdicts regarding the number of evaluations for RS3 scheme of students, the request of the students to apply the valuation scheme of RS4 students to the RS3 batch

REGISTRAR

VICE-CHANCELLOR

of students for the examinations conducted in August 2024 would lead to revision of the results of the entire batch and would result in precedent and have legal implications.

DECISION OF CAC: The following were the unanimous decision of CAC based on the detailed deliberation of the members.

- Best of 2 valuations only shall be considered for both RS3 (upto 2018 Batch) & RS4 (2019 Batch) Students as per the 05.09.2022 ordinance & the ordinance dated 13.07.2023 shall be withdrawn.
- The decision regarding valuation should be progressive and prospective in nature only. Hence the request of students to consider retrospectively shall not be considered.
- It opined that for future examinations a committee be constituted to including experts from outside the university & statisticians to bring out a new criterion for valuation to ensure uniformity.

DECISION OF THE SYNDICATE: The Syndicate after detailed deliberation accepted the recommendations of CAC.

SUBJECT NO.4(3): REGARDING ISSUING OF CONTINUATION OF AFFILIATION FOR 2024-25 ACADEMIC YEAR TO SHEKAR COLLEGE OF NURSING, BENGALURU BASED ON HON'BLE HIGH COURT ORDER W.P NO.601/2025 DATED:10.02.2025.

DECISION OF CAC: The CAC after detailed deliberation recommended for continuation for the Academic Year 2024-25.

DECISION OF SYNDICATE: The Syndicate accepted the recommendations of CAC.

SUBJECT NO.4(4): Any other matter with the permission of the Chair.

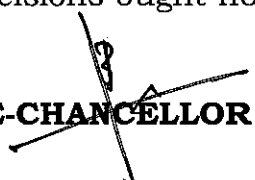

The Registrar (Evaluation) has proposed the following agenda with the permission of the Chair.

SUBJECT NO.4(4)(1): ROUNDING UP OF PERCENTAGE WHILE COMPUTING OF THE RESULTS.

The Hon'ble High Court vide its common judgement dated 24-2-2025 allowed the number of writ petitions observing that the marks obtained 49.25%, 49.50% and 49.75% of theory examinations of the petitioners/PG. Students required to be rounded off to 50% relied upon its previous decisions rendered in cases like; Dr. Guruprasad, Dr. B. Nagadivya, Dr. Neelesh Mehta and directed the University to consider the failed petitioners as 'Pass' and issue necessary result sheet accordingly.

It is pointed out here that, there is vast difference on rounding up of the marks and rounding up of % of marks obtained by students. The rounding up of marks may be lenient as there is only change of fraction, but in case of rounding up of % cannot be lenient as it covers maximum marks required to be given to round off. The previous judgement, which relied upon by the Hon'ble High Court was delivered based on the decision of the Syndicate in a very peculiar circumstances to the entire world i.e., the Pandemic Covid-19. How long for it is to be retain? Those decisions are not Precedent in nature in view of the fact that the said Pandemic is completely washed out from the world since long back and accordingly the said previous decisions ought not

REGISTRAR

VICE-CHANCELLOR

to relied upon as a precedent by the Hon'ble High Court and it is required to seen and adhere to the statute/rules/regulation about criteria for passing are only applicable to the examinations on the present circumstances as per the principles laid down by the Hon'ble apex court.

At present, the said decision dated 12-11-2020 of the Syndicate is non-est. In other words, it was withdrawn. Thus, now the PGMER-2023 REGULATIONS are operative and same are applicable for the valuations of the Examinations in question. The said PGMER-2023 Regulations is does not provide any provision for rounding up of marks or percentage of marks obtained by the students to announce the result. When there is no any regulations to that effect, the Hon'ble High Court ought not to pass an order.

In this context, it is relevant to note that, in a case between RGUHS v. G. Hemalatha Civil Appeal No. 5992/2012 (SLP 8442/2011), the Hon'ble Apex Court held a principles of law that, the criteria for passing as per regulations must be strictly adhered to. When there is no provision of any statute or any rules framed thereunder for rounding up of marks/ % of marks, it is impermissible to Rounding-off. However, this principles of law laid down by the Apex Court was not at all cited and discussed in the judgement. The said principles of law laid down by the Apex Court is binding in nature and same is applicable to the present cases keeping in the mind of quality of product of the students to the society. But neither it is cited by panel advocate nor taken note of the same by the Hon'ble High court which is the root cause for issuance of such direction to the university and given room for challenging the same.

The legal section has opined that, there is scope for challenging the said judgement till it reaches the logical end up to Supreme Court. It is proper and suitable to prefer an appeal as against the said judgement before Division Bench. Even if, they take the same lenient view then it may be placed before Hon'ble Apex Court to exhaust all the legal fight to sustain the regulations of the Apex Body/University.

DECISION OF CAC: The CAC after detailed deliberation decided to file writ appeal against the judgement dated 24-02-2025.

DECISION OF SYNDICATE: The Syndicate after detailed deliberation accepted the recommendations of CAC.

SUBJECT NO. 4A: MINUTES OF CAC MEETING HELD ON 12.03.2025.

With respect to the faculty of Nursing, the request to remove the moratorium in-case of Fresh Affiliation for the academic year 2025-26 was deliberated. The CAC opined that the Syndicate may be requested to reconsider their moratorium decision for the Academic year 2025-26.

DECISION OF SYNDICATE: The Syndicate accepted the recommendations of CAC regarding extension of last date for fresh affiliation, continuation, additional courses & increase intake for the faculties of Allied Health Sciences, Physiotherapy for the academic year 2025-26 and in case of faculty of Pharmacy for the academic year 2026-27.

Regarding removing the moratorium in-case of Nursing faculty for Fresh Affiliation for the academic year 2025-26, the Hon'ble Vice-Chancellor informed the Syndicate, that the University shall bring in new MSR for nursing faculty and such of those colleges who fulfill the criteria as per the new MSR will be inspected for fresh affiliation and will be placed before the CAC and Syndicate.

The Syndicate after deliberation accepted the same and approved to revoke the moratorium.

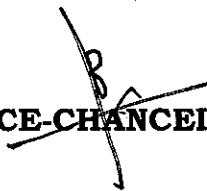

SUBJECT NO. 4A(3): REGARDING OPENING OF ONLINE ADMISSION PORTAL FOR THE ACADEMIC YEAR 2024-25 IN PB BSc NURSING & M SC NURSING COURSES FOR GOVERNMENT AND MANAGEMENT STUDENTS ENTRY.

DECISION OF CAC: After detailed deliberation, the CAC recommended for opening the online portal for students allotted under Government quota seats by KEA and for the Management Quota students, the college shall be permitted subject to reconciliation from the DME. The fixation of term for examination purposes in respect of these students shall be considered as per RGUHS/INC norms.

DECISION OF SYNDICATE: The Syndicate accepted the recommendations of CAC.

However, some of the members suggested that the counselling shall be done through the University to overcome such problems in future. The Hon'ble Vice-Chancellor informed the Syndicate that in the present circumstances it requires more man-power and infrastructure to take the task and will be deliberated later.
