Further, the Syndicate, after detailed deliberation, has resolved to constitute a Syndicate Sub-Committee to review and recommend necessary modifications to the Regulations of Fellowship Programmes of the University. The following preliminary suggestions have been proposed for consideration by the Sub-Committee:

1. **Restriction on Other University Courses:** Affiliated Colleges/Institutes shall not offer any courses that are affiliated with or offered by other Universities.
2. **Separate Library Facility:** Each affiliated College/Institute must maintain a dedicated library exclusively for the Fellowship programmes.
3. **Stipend for Fellowship Students:** All affiliated Colleges/Institutes must provide an appropriate stipend to students enrolled in the Fellowship programmes.
4. **Maintenance of Log Books:** Proper and regular maintenance of log books by Fellowship students is mandatory and shall be verified periodically.
5. **Streamlining of Fee Structure:** The fee structure for Fellowship programmes should be standardized and subject to approval by the University.
6. **Subscription to Relevant Journals:** Colleges/Institutes must ensure access to current and relevant journals to support academic and research activities.
7. **Publication of articles in indexed journals:**
8. **Organization of Seminars:** Regular seminars should be conducted as part of the academic curriculum to enhance student exposure and knowledge.
9. **Provision of Hands-On Training:** Practical, hands-on training must be an integral part of the Fellowship programme to ensure skill development.

REGISTRAR

VICE-CHANCELLOR

10. **Prohibition of Excess Fee Collection:** No excess or unauthorized fees shall be collected from Fellowship students under any circumstances.
11. **Separate Faculty for Each Course:** Distinct and qualified faculty members must be designated for each individual course offered under the Fellowship programmes

The Hon'ble Vice-Chancellor has directed the DR- Fellowship to issue a Show Cause Notice / directions to all affiliated Colleges/Institutes that have failed to adequately respond to the LIC (Local Inquiry Committee) teams by not providing necessary documents, statistics, and information on staff deficiencies during their visits. They must ensure full compliance during subsequent fellowship inspections.

Further, to call for a meeting with Heads of all the Colleges/Institutes offering Fellowship programmes in this regard.

SUBJECT NO. 5(1): DISCREPANCIES IN LIC REPORT AND CAC RECOMMENDATIONS.

DELIBERATION: Sri Venkatesh Murthy. V, Joint Secretary to Government, Department of Medical Education, Government of Karnataka, joined the meeting online. He informed the Syndicate that he was attending the meeting as per the instructions of the Principal Secretary to Government, Department of Medical Education, and intend to draw kind attention on the subject.

The Syndicate was apprised of the discrepancies noted between the information provided by the colleges and that recorded in the LIC (Local Inquiry Committee) inspection reports, as well as differences in the recommendations submitted by the CAC (Committee of Academic Council). It was noted that the LIC and CAC reports must include clear and specific opinions, free from ambiguity.

Further, it was brought to attention that certain essential data, particularly regarding IPD (In-Patient Department) and OPD (Out-Patient Department) statistics, were missing in both the LIC reports and CAC recommendations. However, the University had independently provided this information. It was suggested that the LIC inspection formats be revised to ensure comprehensive data capture.

The Hon'ble Vice-Chancellor informed the Syndicate that orientation programmes had been conducted for Senate Members on the proper conduct of LIC inspections. He further assured the Syndicate that the Deans of the respective faculties are verifying all records before placing them before the CAC for recommendations.

With regard to the missing IPD and OPD data, the Vice-Chancellor clarified that the data was in fact collected by the Deans from the respective LIC teams as per the checklist, though not explicitly recorded in the LIC reports. To prevent such omissions in future, he committed to revising the LIC inspection formats and issuing instructions to all concerned officers to ensure all necessary documents are thoroughly checked before submission to the High-Power Committee (HPC). Additionally, the Joint Secretary requested that information regarding recent complaints received against certain colleges sent to the HPC be provided.

The Hon'ble Vice-Chancellor and the Registrar confirmed that the said information had already been submitted to the Government.

DECISION OF SYNDICATE: The Syndicate has taken note of the matter and resolved that the officers concerned shall take necessary action in the matter.
