SUBJECT NO. 12(8): ANY OTHER MATTER WITH THE PERMISSION OF CHAIR.

SUBJECT NO. 12(8)(1): APPROVAL FOR FRESH NURSING COLLEGE PERMISSION - MANDATORY 200 BEDDED PARENT HOSPITAL CRITERIA FROM THE YEAR 2022 ONWARDS.

Due to mushrooming growth of nursing colleges in Bangalore Urban district and Mangalore Urban city, concerns have been raised in CAC meeting about the adequacy of infrastructure and teaching staff leading to compromised quality of education. As per data, many seats remain vacant at the time of KEA counselling.

To ensure quality and standards, it was implemented in the Guidelines that Fresh Nursing Colleges in Bangalore Urban District and Mangalore city be granted to only colleges having a parent hospital with minimum of 200 beds (single unitary allopathic hospital) effective from the academic year 2022 onwards and the same is followed till today.

DECISION OF CAC: After detailed deliberation and considering the rapid increase in the number of nursing colleges in Bangalore Urban District and Mangalore Urban City, the CAC noted issues relating to inadequate infrastructure, shortage of qualified teaching staff, and a high number of seats are being left vacant during KEA counselling, which collectively impact the quality of nursing education.

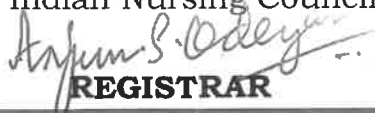

In order to maintain good standards and quality of education, the CAC recommended for approval of the agenda and reaffirmed the existing policy mandating that fresh nursing colleges in Bangalore Urban District and Mangalore City shall be permitted only if they have a parent hospital with a minimum of 200 beds (Single unitary Allopathic Hospital).

It is further recommended that this criterion, which has been in force from the academic year 2022 onwards, shall continue to be strictly implemented for all future proposals for establishment of fresh nursing colleges in Bangalore Urban district and Mangalore Urban city areas.

DECISION OF SYNDICATE: Accepted the recommendations of CAC.

SUBJECT NO. 12(8)(11): ELIGIBILITY CRITERIA OF MBBS STUDENTS FOR ADMISSION APPROVAL.

DELIBERATION:

- a. Students belongs to the academic year 2025-26 and they are from the Telangana Pre university Board
- b. In +11 and +12, at Telangana Board, the students have studied Botany and zoology, hence in the marks cards, there is no terminology of Biology. However, NEET Brochure -2025 in its page number 26 mentions as "*B.Sc. Examination of an Indian University provided that he/she has passed the B.Sc. Examination with not less than two of the subjects Physics, Chemistry, Biology (Botany, Zoology)/Biotechnology and further that he/ she has passed the earlier qualifying examination with Physics, Chemistry, Biology, and English*".

DECISION OF CAC: After the deliberations, the CAC decides that, the term Biology includes Botany and Zoology. Such of the students who have studied Botany and zoology separately are to be considered as having studied the Biology in PUC, and hence may be given eligibility for the admission to MBBS course.

DECISION OF SYNDICATE: Accepted the recommendations of CAC.
