In these courses regulations, the INC has mentioned certain privileges to the graduates of the Nurse Practitioner courses. For those aspects, the academic council of the University wants clarifications. The major clarifications which university is looking for are

Sl No	INC Regulations	CAC Recommends that the following Clarifications are to be obtained before starting the recommended courses
1	Aim of these courses regulations states in general as *"leading to M.Sc. Nursing (Nurse Practitioner in ..... Nursing)"*	1. If a student is graduated with NP Course – Does he or she should be awarded degree as MSc or NP in ..... 2. If awarded as NP..... & Later if the student request for issue of MSc as per regulations, do we have to issue the same 3. There are already MSc- Paediatric, MSc-Psychiatry Nursing courses as per INC. Then both these will become equivalent in spite of having different curricula.
2	Competencies: - In the regulations in general the graduates will have the following rights a. Order Investigations independently b. Prescribe some of the classified drugs to the patients c. Administer treatment Independently including some of the critical drugs d. Perform some of the interventions in the critically ill patients, like Reversal and extubation of patients e. Permitted to order diagnostic tests/procedures and therapies as per institutional protocols	As per the academic council, clarifications are to be obtained on these privileges given under these regulations (whether these are permissible as per the law in India)
