SUBJECT NO.215/2:**CONFIRMATION OF MINUTES OF SYNDICATE MEETINGS.****i. 213th SYNDICATE (SPECIAL) MEETING HELD ON 15.04.2026****ii. 214th ONLINE SPECIAL SYNDICATE MEETING HELD ON 08.05.2026****DECISION OF THE SYNDICATE:** The Minutes of 213th and 214th Special Syndicate Meetings are approved as there are no objections received.**SUBJECT NO.215/3:****TO CONSIDER THE MINUTES OF ORDINARY MEETING OF ACADEMIC COUNCIL HELD ON 08.05.2026.****SUBJECT NO. 01: REPORT ON THE DECISIONS OF THE SYNDICATE UNDER SECTION 35 OF RGUHS ACT, 1994.**

The Registrar (Evaluation) informed the Academic Council that, in view of the establishment of the National Commission for Allied and Healthcare Professions (NCAHP), a notification regarding the withdrawal of the double-duration limitation for completion of UG and PG Allied Health Sciences (AHS) courses had been issued. The same shall also apply to the Physiotherapy course, and a separate notification in this regard will follow.

All notifications issued pursuant to the recommendations of the Board of Studies (BOS) and the subsequent decisions of the Committee of the Academic Council and the Syndicate were placed before the Academic Council meeting, and the same were noted by the Council.

DECISION OF THE SYNDICATE: Accepted the recommendations of Academic Council.**SUBJECT NO. 02: RATIFICATION OF CAC OPINION BY CIRCULATION DATED.12.11.2025.****DECISION OF ACADEMIC COUNCIL:** The minutes of Committee of Academic Council (CAC) opinion by Circulation dated 12.11.2025 were ratified.**DECISION OF THE SYNDICATE:** Accepted the recommendations of Academic Council.**SUBJECT NO. 03: RATIFICATION OF MINUTES OF COMMITTEE OF ACADEMIC COUNCIL MEETINGS HELD ON 28.11.2025, 12.12.2025, 16.12.2025, 16.01.2026, 02.02.2026, 12.03.2026, 17.03.2026 AND 08.04.2026.****DELIBERATION:**

The recommendations of the Committee of Academic Council meeting held on 16.01.2026 is placed before the Academic Council for further deliberation.

The Registrar (Evaluation) brought to the notice of the Academic Council about the order of the Hon'ble High Court passed in W.P. 16960/2024, wherein a direction was issued to Syndicate and Academic Council to reconsider the issue of providing key answers / model answers for descriptive answers.

The Academic Council noted the followings: -

- A.** University has written a letter dated 20.11.2024, to National Medical Commission (NMC) seeking its guidance/opinion with regard to providing key answers/model answers and along with the deliberations and decisions of the CAC & Syndicate. In response to this letter, NMC expressed its opinion in similar line and sent its opinion supporting the decision of the University vide letter on 13th Dec 2024.
- B.** Communication from NMC & the decision of the Syndicate was already brought to the notice of the Hon'ble High court. In the interest of students, after considering the merits and demerits of providing Key answer/model answers, Hon'ble High Court directed the Academic Council and Syndicate its order in WP 16960/2024 to reconsider their earlier decision of not providing the key answers to the descriptive questions for the evaluation.
- C.** This issue had been extensively deliberated upon by the Academic Council (CAC) held on 11.06.2024, which opined that
 - a. providing keywords would limit the scope of critical thinking among students and may not encourage logical responses.
 - b. the health science is a dynamic & ever evolving field with continuous advancements
 - c. with emergence of newer health issues and problems, frequent changes in curriculum are also necessary.
 - d. in such a situation, providing key answers to descriptive questions is not advisable and feasible.
- D.** Pursuant to the directions of the Hon'ble High Court on 18.03.2025, the University constituted a committee (Official Memorandum No. RGUHSB/DCD/GEN/23/2025 dated 21.07.2025) of experts not only from the Health Science Courses of our University but also experts from the Health Science University of Maharashtra, Kerala and the deemed Universities of Karnataka. to examine the issue of providing keywords.
- E.** The following are the recommendations of the said committee
 - i. Key words or predetermined answers may serve limited purposes; however, they do not adequately represent the integrated and analytical abilities required of medical professionals
 - ii. The depth and complexity of medical education require a comprehensive assessment approach that can accurately evaluate critical thinking, clinical decision-making, and communication skills-core components of patient-centred care and professional standards
 - iii. None of the major/large Universities provide keywords for descriptive answers
 - iv. Kerala University Health Sciences, has issued /provided certain valuation guidelines to valuers, but not the key answers, which are made available for evaluators only.
 - v. The Maharashtra University of Health Sciences does not provide keywords
 - vi. A pilot initiative, model Key answers in respect of descriptive questions may be introduced for the I Year Physiotherapy

examinations for the 2026-27 admitted batch wherein the students are less in number.

- vii.** The Committee recommends strict compliance with the directions of the National Medical Commission that the model answers shall not be published in respect of Descriptive Questions.

The members of the Academic Council noted the above recommendations and expressed that current system of valuation was fair to the students and results were good. It was reiterated that valuers need to be trained and oriented to the standards of valuation periodically. It was recommended to have QP setting workshops.

It was deliberated that as per the recommendations of the committee, a pilot may be conducted by providing model key answers for descriptive questions only in the BPT question papers. However, the members of the physiotherapy expressed that, from the academic year 2026-27 the curriculum of the physiotherapy has been changed and governed by the apex body & they also opined that it would be better if this pilot is conducted for the students who have been admitted from the academic year 2026-27.

DECISION & RECOMMENDATION: - After detailed deliberations, the Academic Council made decisions and recommended as follows:-

1. Academic Council accepted the recommendations of the expert committee, which was constituted on dated 21.07.2025
2. It was decided not to provide keywords for descriptive type of questions, except in the case of MCQs. However, it recommended for conduct of pilot, by giving model key answers for the descriptive type of questions, for 1st year BPT course commencing from 2026-27 admitted batch.
3. The Honorable Vice chancellor was authorized to form a committee of Physiotherapy experts, to prepare QPs with Key words & to obtain feedback from all the stake holders after the announcement of results; and then submit a report of its implementation and feedback to the authorities.

The minutes of the Committee of Academic Council meetings held on 28.11.2025, 12.12.2025, 16.12.2025, 16.01.2026, 02.02.2026, 12.03.2026, 17.03.2026, and 08.04.2026 were ratified.

3. DR. SIDDANAGOUDA A PATIL, CHAIRMAN, BOS PG AYURVEDA

Resolution No. 1: Implementation of Ph.D. Qualification for Research Guideship: In alignment with UGC regulations and to enhance academic and research standards in Ayurveda education, it is proposed that Ph.D. qualification shall be mandatory for recognition as a Ph.D. Research Guide in all affiliated Ayurveda institutions. Earlier provisions allowed guideship based on experience due to shortage of Ph.D. holders. Currently, with sufficient Ph.D.-qualified faculty available, it is necessary to uphold academic integrity, ensure quality research supervision, and align with UGC Ph.D. Regulations.

Resolution: Only faculty members possessing a authentic Ph.D. degree shall be eligible for Ph.D. Guideship prospectively.

DECISION OF ACADEMIC COUNCIL: Accepted.

DECISION OF THE SYNDICATE: Accepted the recommendations of Academic Council.

Resolution No. 2: Channelization in PG Admissions and NTET Eligibility

It has been observed that delays in commencement of Postgraduate (PG) courses in Ayurveda in Karnataka are affecting students' academic progression. Due to delayed admissions, students lose a academic year and face difficulty in appearing for NTET, impacting their teaching career. As per NCISM norms, eligibility requires completion of specified duration (30 months). Administrative delay, which directly hampering their opportunities.

Recommendations:

1. RGUHS should coordinate with Government of Karnataka and KEA to ensure timely completion of admissions.
2. In case of delays, RGUHS should communicate with NCISM to provide relaxation in minimum required duration (instead of 30 months) for NTET eligibility.

Resolution: Necessary administrative and regulatory steps shall be taken to prevent academic loss and ensure fairness.

DECISION OF ACADEMIC COUNCIL: Accepted.

DECISION OF THE SYNDICATE: Accepted the recommendations of Academic Council.

Resolution No. 3: Updating the panel, Proper conduction of practical examination and valuation of PG and Channelization of remuneration:

1. Three months prior to exams panel has to be updated and one-month prior any changes along with newly eligible teachers date should be updated and also user ID for valuation should be created.
2. Remuneration should be uploaded on the day of examination on line, so that we can save paper n time n burden on the university.

DECISION OF ACADEMIC COUNCIL: Accepted.

DECISION OF SYNDICATE: Accepted the recommendations of CAC.

SUBJECT NO. 7(2): CONSIDERING THE EQUIVALENCE OF M.PHARM SPECIALITIES/SUBJECTS AND ELIGIBILITY OF TEACHING FACULTY.

The University receives applications from affiliated colleges for issuance of recognition of PG guideship in Pharmacy Faculty. During verification of such applications, ambiguity has been observed regarding the equivalence of M.Pharm specialities and the eligibility of faculty members possessing M.Pharm degrees in related specialities to teach subjects in different but allied subjects.

In this regard, the following regulatory decisions are available for consideration:

1. **Item No. 213 of 102/CC (September 2017)** discussed in PCI
2. **Item No. 89 of 281/EC (November 2017)** discussed in PCI
3. **University Notification No. Auth/90 Syn/Pharm-UG-PG-17-6/2010-11 dated 02.09.2010**, which states:

"Teachers with M.Pharm (Pharmaceutical Chemistry, Pharmaceutical Analysis, Bulk Drug Technology) shall be eligible to teach subjects in Pharmaceutical Chemistry discipline and teachers with M.Pharm (Pharmaceutics, Industrial Pharmacy and Pharmaceutical Technology) shall be eligible to teach subjects in Pharmaceutics discipline."

The decisions approved under Item No. 213 of 102/CC (September 2017) and Item No. 89 of 281/EC (November 2017) recognize equivalence among specified M.Pharm specialities for academic and teaching purposes.

Further, the University Notification dated 02.09.2010 explicitly recognizes the following equivalence:

Pharmaceutical Chemistry:

- M.Pharm (Pharmaceutical Chemistry)
- M.Pharm (Pharmaceutical Analysis)
- M.Pharm (Bulk Drug Technology)

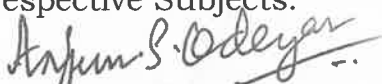

Pharmaceutics:

- M.Pharm (Pharmaceutics)
- M.Pharm (Industrial Pharmacy)
- M.Pharm (Pharmaceutical Technology)

Faculty possessing the above qualifications are eligible to teach subjects falling under the respective subjects.

AGENDA:

1. Whether the equivalence of M.Pharm specialities approved under Item No. 213 of 102/CC (September 2017) and Item No. 89 of 281/EC (November 2017) may continue to be adopted for faculty eligibility, teaching assignments, and related academic purposes.
2. Whether the provisions contained in the University Notification No. Auth/90 Syn/Pharm-UG-PG-17-6/2010-11 dated 02.09.2010 may be considered valid for determining eligibility of teaching faculty in the respective Subjects.

REGISTRAR

VICE-CHANCELLOR

3. Whether faculty members possessing M.Pharm qualifications in the equivalent specialities as notified above may be considered eligible:
- for appointment as teaching faculty;
 - for teaching undergraduate and postgraduate courses in the corresponding discipline; and
 - for recognition as PG guides, subject to fulfilment of other prescribed norms and regulations.

Hence, the matter is placed before the CAC for deliberation regarding the adoption and applicability of the approved equivalence of M.Pharm specialities for teaching faculty eligibility and related academic purposes.

DECISION OF CAC: After detailed, resolved to approve the equivalence of M.Pharm specialities as recognized by the PCI and the University for determining faculty eligibility, teaching assignments, and recognition of PG Guides in the Faculty of Pharmacy.

Faculty possessing M.Pharm qualifications in the notified equivalent specialities shall be eligible for appointment as teaching faculty, teaching of UG and PG courses in the respective discipline, and recognition as PG Guides, subject to fulfilment of the prescribed norms and regulations.

DECISION OF SYNDICATE: Accepted the recommendations of CAC.

SUBJECT NO.215/8:

AMENDMENT TO STATUTE 13.8 OF RGUHS STATUTES RELATING TO INSPECTION AND CONTINUATION OF AFFILIATION.

The Senate in its Annual Meeting held on 24.04.206 under Subject No. 6(1) has passed the following resolution.

Whereas, under Section 45 and Section 48 of the Rajiv Gandhi University of Health Sciences Act, 1994, the University is empowered to grant, continue, modify or withdraw affiliation subject to compliance with prescribed conditions;

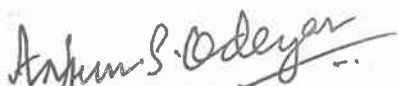

And whereas, Statute 13.8 presently provides that every affiliated college shall be inspected ordinarily once every year by a Committee appointed by the Syndicate without defining its composition;

And whereas, the provision to Statute 13.8 mandates that continuation and extension of affiliation shall be granted by the Syndicate in consultation with the Academic Council;

And whereas, it is necessary to ensure transparency, uniformity, and academic rigor by constituting a duly defined Local Inspection Committee (LIC);

Now, therefore, be it resolved that:

1. Statute 13.8 shall be amended by substituting the existing provision relating to inspection with the following:
2. Every affiliated college shall be inspected ordinarily once every year by a duly constituted Local Inspection Committee (LIC) appointed by the Syndicate.
3. The LIC shall consist of:
 - i. one nominee of the Senate,
 - ii. one nominee of the Academic Council, and
 - iii. one subject expert in the concerned discipline.
4. The LIC shall conduct inspection and submit a detailed report with recommendations to the Syndicate.
