REGISTRAR

VICE-CHANCELLOR

SUBJECT NO. 4(2)3: MARGADARSHAN COLLEGE OF NURSING, TONDIHAL, ILKAL, BAGALKOT

APPLIED FOR: Continuation of Affiliation for 2026-27.

EXISTING INTAKE: B Sc Nursing - 40 Seats

DECISION OF CAC: The Joint Inspection has been conducted by Dr. Sankanagoud Patil, Member of Senate, RGUHS and Dr. Manjunath D. N., District Health Officer, Bagalkot, at Margadarshan College of Nursing, Ilkal, Bagalkot.

The inspection report indicates that the parent hospital attached to the institution is presently not functioning due to cancellation of its registration under the Karnataka Private Medical Establishments (KPMEA) Act. Further, the report is not clear regarding the present eligibility status of the hospital for obtaining re-registration under the provisions of the KPMEA Act and the timeline within which such re-registration may be secured.

As per the norms and requirements prescribed by the Apex Regulatory Bodies governing nursing education, a KPMEA-registered and fully operational parent hospital is an essential prerequisite for affiliation of a College of Nursing, as it is required to ensure adequate and continuous clinical learning Experiences for the Nursing students.

In the absence of a valid KPMEA registration and in view of the finding that the hospital is currently not functioning, the institution does not appear to satisfy the mandatory requirement of having an operational parent hospital for clinical training of students. Consequently, the continuation of affiliation of the College cannot be favorably considered at this stage.

Therefore, it is considered opinion committee that the continuation of affiliation may be considered only after the institution produces documentary evidence establishing that, the parent hospital has obtained valid registration under the KPMEA Act and the hospital is fully functional and operational with adequate inpatient and outpatient services.

In view of the inadequate clinical facilities and insufficient patient load to meet the clinical training requirements of nursing students, and as the college has not complied with the relevant statutory and regulatory requirements of the University, the institution is not recommended for continuation of affiliation for the academic year 2026-2027.

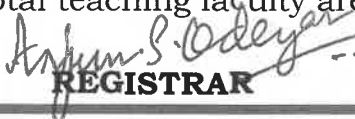

DECISION OF SYNDICATE: Accepted the recommendations of CAC.

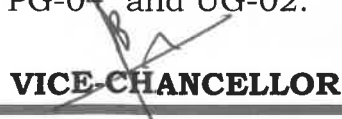

SUBJECT NO. 4(2)4: CHARAKA INSTITUTE OF NURSING SCIENCES, BENGALURU RURAL

APPLIED FOR: Fresh Affiliation B.Sc Nursing

DECISION OF CAC:

- College is having leased building with built up area of 24,000 sq.ft .
