SUBJECT NO. 8(2): ESTABLISHMENT OF RGUHS RAKTHA KOSH.

The increase in the incidences of Thalassemia, Road Accidents, Anemia, etc., enhanced the need for blood infusion for saving the life during the emergency situations. It is difficult to find out the blood donors during such situations. Therefore, blood donors' registries are being maintained by various NGO, Health Science Institutions and Voluntary Donor's organizations. However, they spread unevenly in the State. In addition, it is also observed that availability of rare blood group donors is also not available in all the blood donors' registries. Keeping these things in view, it is proposed not only to establish blood donor's registry at RGUHS but also integrate all the blood banks, registries as one integrated registry so that the availability of blood at emergency situation, particularly the blood belonging rare blood groups is ensured. The approvals from competent authorities will be taken prior to the establishment of the registry. The integrated blood donors' registry and blood bank will be named RGUHS Raktha Kosh. Therefore, this proposal is placed for approval.

DECISION OF CAC: The members unanimously appreciated the initiative of establishing **RGUHS RAKTHA KOSH** and resolved to approve the proposal.
